

Only public school students enrolled in the district will be granted access to supplemental online courses. Each Oklahoma public school district shall provide enrolled students the opportunity to participate in supplemental online courses that comply with the standard curriculum of the public school. Once a student has made a request to enroll in supplemental online course(s), the district will be obligated to take necessary steps to determine the educational appropriateness of the request and to make online course(s) available to the student. Oklahoma public school students may take supplemental online courses from any online course provider selected and approved by the district that meets the criteria established by the Oklahoma State Board of Education. **The school district shall not limit a student's access to supplemental online courses by either policy or application of internal or customary procedures. However, students taking supplemental online courses from a remote location will be responsible for providing their own equipment and Internet access.**
