Students may take OSOCP courses from a location inside or outside of the school site location, and may take supplemental online courses outside the normal school hours of operation. Students who elect to enroll in supplemental online courses, regardless of when or where taken, are still required to complete the equivalent number of hours of instruction as regularly enrolled students in the district and must satisfy the same attendance requirements of the district. For purposes of supplemental online courses, one credit may be granted for required or elective courses consisting of a minimum of 120 instructional hours or in which students demonstrate mastery of Oklahoma's *PASS* and/or *CCSS* in one-credit courses without specified instructional time. The local district shall establish local policy regarding attendance standards for supplemental online students in accordance with these rules.
