

assessments

Students enrolled in online courses must participate in required state-level academic assessments in the same manner as other regularly enrolled students within the state. No student will be allowed to enroll in an online course without submission of a signed Education Student Assessment Results Release Form or FERPA waiver, available on the Oklahoma State Department of Education (OSDE) Web site at <www.sde.state.ok.us>. Each local school board shall adopt a policy that requires and ensures each student enrolled in one or more online courses will participate in state assessments administered pursuant to state statute and that the results of the assessments are released to the school district and the online course provider(s).
