SUBJECT: Virtual charter schools

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA;

SECTION 1. AMENDATORY 70 O.S. 2011, Section 3-132, as last amended by Section 3 of Enrolled House Bill No. 1385 of the 1st Session of the 54th Oklahoma Legislature, is amended to read as follows:

Section 3-132. A. The Oklahoma Charter Schools Act shall apply only to charter schools formed and operated under the provisions of the act. Charter schools shall be sponsored only as follows:

1. By a school district with an average daily membership of five thousand (5,000) or more and which all or part of the school district is located in a county having more than five hundred thousand (500,000) population according to the latest Federal Decennial Census;

2. By a school district which has a school site that has been identified as in need of improvement by the State Board of Education pursuant to the Elementary and Secondary Education Act of 1965, as amended or reauthorized;

3. By a technology center school district if the charter school is located in a school district served by the technology center

school district and the school district has an average daily membership of five thousand (5,000) or more and which all or part of the school district is located in a county having more than five hundred thousand (500,000) population according to the latest Federal Decennial Census;

4. By a technology center school district if the charter school is located in a school district served by the technology center school district and the school district has a school site that has been identified as in need of improvement by the State Board of Education pursuant to the Elementary and Secondary Education Act of 1965, as amended or reauthorized;

5. By a comprehensive or regional institution that is a member of The Oklahoma State System of Higher Education if the charter school is located in a school district that has an average daily membership of five thousand (5,000) or more and which all or part of the school district is located in a county having more than five hundred thousand (500,000) population according to the latest Federal Decennial Census. In addition, the institution shall have a teacher education program accredited by the Oklahoma Commission for Teacher Preparation and have a branch campus or constituent agency physically located within the school district in which the charter school is located;

6. By a comprehensive or regional institution that is a member of The Oklahoma State System of Higher Education if the charter school is located in a school district that has a school site that has been identified as in need of improvement by the State Board of Education pursuant to the Elementary and Secondary Education Act of 1965, as amended or reauthorized. In addition, the institution shall have a teacher education program accredited by the Oklahoma Commission for Teacher Preparation and have a branch campus or constituent agency physically located within the school district in which the charter school is located;

7. By a federally recognized Indian tribe, operating a high school under the authority of the Bureau of Indian Affairs as of November 1, 2010, if the charter school is for the purpose of demonstrating native language immersion instruction, and is located within its former reservation or treaty area boundaries. For purposes of this paragraph, native language immersion instruction

shall require that educational instruction and other activities conducted at the school site are primarily conducted in the native language; or

8. By the State Board of Education when the applicant of the charter school is the Office of Juvenile Affairs or the applicant has a contract with the Office of Juvenile Affairs to provide a fixed rate level E, D, or D+ group home service and the charter school is for the purpose of providing education services to youth in the custody or supervision of the state. Not more than two charter schools shall be sponsored by the Board as provided for in this paragraph during the period of time beginning July 1, 2010, through July 1, 2016; ~~or~~

~~9. By the State Board of Education when the applicant of the charter school is the Statewide Virtual Charter School Board created in Section 3-145.1 of this title and the charter school is for the purpose of establishing a full-time statewide virtual charter school.~~

~~B. Any charter or enterprise school operating in the state pursuant to an agreement with the board of education of a school district on July 1, 1999, may continue to operate pursuant to that agreement or may contract with the board of education of the school district pursuant to the Oklahoma Charter Schools Act. Nothing in the Oklahoma Charter Schools Act shall prohibit a school district from applying for exemptions from certain education-related statutory requirements as provided for in the Educational Deregulation Act.~~

~~C.~~ For purposes of the Oklahoma Charter Schools Act, "charter school" means a public school established by contract with a board of education of a school district, an area vocational-technical school district, a higher education institution, a federally recognized Indian tribe, or the State Board of Education pursuant to the Oklahoma Charter Schools Act to provide learning that will improve student achievement and as defined in the Elementary and Secondary Education Act of 1965, 20 U.S.C. 8065.

~~D.~~ C. A charter school may consist of a new school site, new school sites or all or any portion of an existing school site. An entire school district may not become a charter school site.

SECTION 2. AMENDATORY 70 O.S. 2011, Section 3-140, as last amended by Section 4 of Enrolled House Bill No. 1385 of the 1st Session of the 54th Oklahoma Legislature, is amended to read as follows:

Section 3-140. A. Except for a charter school sponsored by the State Board of Education, a charter school shall enroll those students whose legal residence is within the boundaries of the school district in which the charter school is located and who submit a timely application, or those students who transfer to the district in which the charter school is located in accordance with Section 8-103 or 8-104 of this title, unless the number of applications exceeds the capacity of a program, class, grade level, or building. Students who reside in a school district where a charter school is located shall not be required to obtain a transfer in order to attend a charter school in the school district of residence. If capacity is insufficient to enroll all eligible students, the charter school shall select students through a lottery selection process. Except for a charter school sponsored by the State Board of Education, a charter school shall give enrollment preference to eligible students who reside within the boundaries of the school district in which the charter school is located. Except for a charter school sponsored by the State Board of Education, a charter school created after the effective date of this act shall give enrollment preference to eligible students who reside within the boundaries of the school district in which the charter school is located and who attend a school site that has been identified as in need of improvement by the State Board of Education pursuant to the Elementary and Secondary Education Act of 1965, as amended or reauthorized. A charter school may limit admission to students within a given age group or grade level. A charter school sponsored by the State Board of Education when the applicant of the charter school is the Office of Juvenile Affairs shall limit admission to youth that are in the custody or supervision of the Office of Juvenile Affairs. ~~A charter school sponsored by the State Board of Education when the applicant of the charter school is the Statewide Virtual Charter School Board shall enroll those students who are legal residents of this state and who have been approved for a transfer pursuant to Section 8-103 or 8-104 of this title.~~

B. Except for a charter school sponsored by the State Board of Education, a charter school shall admit students who reside in the attendance area of a school or in a school district that is under a court order of desegregation or that is a party to an agreement with the United States Department of Education Office for Civil Rights directed towards mediating alleged or proven racial discrimination unless notice is received from the resident school district that admission of the student would violate the court order or agreement.

C. A charter school may designate a specific geographic area within the school district in which the charter school is located as an academic enterprise zone and may limit admissions to students who reside within that area. An academic enterprise zone shall be a geographic area in which sixty percent (60%) or more of the children who reside in the area qualify for the free or reduced school lunch program.

D. Except as provided in subsections B and C of this section, a charter school shall not limit admission based on ethnicity, national origin, gender, income level, disabling condition, proficiency in the English language, measures of achievement, aptitude, or athletic ability.

SECTION 3. AMENDATORY 70 O.S. 2011, Section 3-142, is amended to read as follows:

Section 3-142. A. For purposes of funding, a charter school sponsored by a board of education of a school district shall be considered a site within the school district in which the charter school is located. The student membership of the charter school shall be considered separate from the student membership of the district in which the charter school is located for the purpose of calculating weighted average daily membership pursuant to Section 18-201.1 of this title and State Aid pursuant to Section 18-200.1 of this title. For charter schools sponsored by a board of education of a school district, the sum of the separate calculations for the charter school and the school district shall be used to determine the total State Aid allocation for the district in which the charter school is located. A charter school shall receive from the sponsoring school district, the State Aid allocation and any other state-appropriated revenue generated by its students for the applicable year, less up to five percent (5%) of the State Aid

allocation, which may be retained by the school district as a fee for administrative services rendered. For charter schools sponsored by the board of education of a technology center school district, a higher education institution, the State Board of Education, or a federally recognized Indian tribe and for statewide virtual charter schools sponsored by the Statewide Virtual Charter School Board, the State Aid allocation for the charter school shall be distributed by the State Board of Education and not more than five percent (5%) of the State Aid allocation may be charged by the sponsor as a fee for administrative services rendered. The State Board of Education shall determine the policy and procedure for making payments to a charter school. The fee for administrative services as authorized in this subsection shall only be assessed on the State Aid allocation amount and shall not be assessed on any other appropriated amounts.

B. 1. The weighted average daily membership for the first year of operation of a charter school shall be determined initially by multiplying the actual enrollment of students as of August 1 by 1.333. The charter school shall receive revenue equal to that which would be generated by the estimated weighted average daily membership calculated pursuant to this ~~subsection~~ paragraph. At midyear, the allocation for the charter school shall be adjusted using the first quarter weighted average daily membership for the charter school calculated pursuant to subsection A of this section.

2. For the purpose of calculating weighted average daily membership pursuant to Section 18-201.1 of this title and State Aid pursuant to Section 18-200.1 of this title, the weighted average daily membership for the first year of operation and each year thereafter of a full-time virtual charter school shall be determined by multiplying the actual enrollment of students as of August 1 by 1.333. The full-time virtual charter school shall receive revenue equal to that which would be generated by the estimated weighted average daily membership calculated pursuant to this paragraph. At midyear, the allocation for the full-time virtual charter school shall be adjusted using the first quarter weighted average daily membership for the virtual charter school calculated pursuant to subsection A of this section.

C. A charter school shall be eligible to receive any other aid, grants or revenues allowed to other schools. A charter school

sponsored by the board of education of a technology center school district, a higher education institution, the State Board of Education, or a federally recognized Indian tribe shall be considered a local education agency for purposes of funding. A charter school sponsored by a board of education of a school district shall be considered a local education agency for purposes of federal funding.

D. A charter school, in addition to the money received from the state, may receive money from any other source. Any unexpended nonstate funds, excluding local revenue, may be reserved and used for future purposes.

E. Any charter school which chooses to lease property shall be eligible to receive current government lease rates.

SECTION 4. AMENDATORY Section 3, Chapter 367, O.S.L. 2012 (70 O.S. Supp. 2012, Section 3-145.1), is amended to read as follows:
