R277-726-2. Authority and Purpose.

A. This rule is authorized by Utah Constitution Article X, Section 3 which vests general control and supervision of public education in the Board, Section 53A-15-1210 which requires the Board to make rules providing for the administration of statewide assessments to students enrolled in online courses, Section 53A-15-1213 which requires the Board to make rules that establish a course credit acknowledgment form and procedures for completing and submitting the form to the Board, and Section 53A-1-401(3) which permits the Board to adopt rules in accordance with its responsibilities.

B. The purpose of this rule is to define necessary terms, provide and describe a Program registration agreement and provide other requirements for LEAs, the USOE, parents and students, and Providers for Program implementation and accountability.

R277-726-3. Course Credit Acknowledgment (CCA) Process.

A. A student, a student's parent or a Provider may initiate a CCA.

B. A counselor designated by the primary school of enrollment shall review the CCA to ensure consistency with graduation

requirements, the student's SEOP, the student's Individualized Education Plan (IEP), the student's Section 504 plan, or the student's international baccalaureate program, if applicable. The primary school of enrollment shall return the CCA to the USOE within 72 business hours.

C. A Provider initiated CCA may be sent directly to the USOE if the course is consistent with the student's SEOP. The primary school of enrollment need not meet with the student or parent and shall be notified of such an enrollment by the USOE.

C. Eligible students may register for more than two online credits if the student's current SEOP indicates specifically that the student intends to complete high school graduation requirements and exit high school before the rest of the student's high school cohort and the student's schedule demonstrates progress toward early graduation.

D. Eligible students are expected to complete courses in which they enroll in a timely manner consistent with Section 53A-15-1206. If a student changes his enrollment for any reason, it is the student's/parent's responsibility to notify the Provider immediately.
